Domaine Lucien Boillot, Burgundy

Pierre Boillot

Pierre Boillot, of Domaine Lucien Boillot, is something of a traditionalist and believes that his wines should show their terroir through minimal intervention in the cellar. So he concentrates on work in the vineyards to ensure that only perfectly ripe, healthy grapes are harvested.

New wood is kept to no more than 25 - 30% on Premiers Crus, and the wines undergo a long maceration post-fermentation to extract the colour and tannins, meaning that they can be tight for the first 4 - 5 years, broadening with age.
